

# Terms of Sale

- **The flea market team assumes no liability for board games handed over by sellers, such as games that are lost or damaged at the end of the event (this also applies during the flea market's closing hours).**
- The registration deadline is Thursday, 2 July 2026. Only games that have been registered online at [www.brettspiel-flohmarkt.com](http://www.brettspiel-flohmarkt.com) by this date will be accepted on-site.
- Each game has a fixed price for Saturday and optionally a reduced fixed price for Sunday. No other price changes are possible.
- Games must already be labelled before being handed in for sale. (Labelling on-site is not possible!)
- The flea market team reserves the right to refuse acceptance of games.
- The flea market team reserves the right not to immediately offer submitted games for sale due to limited display space, or not to offer them for sale at all if their condition is found to be too poor after submission. The listing fee for submission is still payable.
- Transport aids (e.g. from the car to the flea market GAME DROP-OFF point) are NOT available.
- It cannot be guaranteed that boxes, bags, etc. handed in with games will be returned.
- The listing fee will be offset against the sales proceeds at the time of settlement.
- The listing fee is also due if the game is not sold.
- The sales commission depends on the selling price of a game. See the table on page 5 of the document *How to Sell Games at the Berlin Brettspiel Con Flea Market 2026*.
- Payment will be made by bank transfer within 5 days after the end of Berlin Brettspiel Con. A bank account is required for this purpose.
- For payment, the person who registered and submitted the games must provide their own IBAN and personally confirm the correctness of the sales proceeds and the IBAN by signature.
- Changes to the schedule are possible but will be announced accordingly.
- Privacy policy can be read at: [Privacy Policy | brettspiel-flohmarkt.com](#)
